

Vestrella Neighborhood News

MAY 2019

Your Captains Notes…

- Tyler Heel, HOA Manager, is resigning as of June 7th. Rudy Bautista has been named the new HOA manager. He can be reached at 863-427-7103.
- The Starlite Ballroom renovations will begin July 1st and will be a 3-week project. This includes new carpeting and re-painting the ballroom, ceiling and corridor. The dimmer lighting system will be replaced to increase the lighting in the ballroom.
- Telephone fraud is increasing. When someone calls unsolicited and asks even a simple question, do not answer; Not even "how are you today?" Never respond to questions with "yes" because this response can be recorded and used as your permission to buy something.

Many thanks to those who represented Vestrella at the Relay for Life and a special thanks to Dolly and Ray Villanueva for setting up the Vestrella table so that our neighbors could stop by before joining the activities.

Flags Over Solivita Vestrella

George Manisco and his Team of helpers, Judy Walls, Jim Whitley, and Don Mathews will be installing our Vestrella Flags over Solivita for Memorial Day. Our flags will also be flown for June 14th and July 4th. If you missed the last deadine to have a flag, you can still submit an application and $25 donation to the Veterans Club for the remaining installations for 2019. Contact George 630-802-7160 or submit the application on the Solivita Veterans Club page in SolivitaHoa.com.
