

Vestrella Neighborhood News

June 2019

Your Captains Notes…

- ◊ The Palms Aerobic Studio floor is scheduled to be redone the 1st and 2nd weeks in August. The FitWell Team is working on relocating and scheduling as many classes as possible. Class schedule will be published in August's Reflections and available at the Fitness Desks.
- ◊ Several neighbors attended the Chest, Call, Compress (chest compression CPR and AED training) class this week. The class includes a presentation and an opportunity to practice CPR. Classes will be scheduled in July and August and will continue into the Fall. Please contact Michael Weitz at 863-438-2331 or mnwjd@aol.com to register. What you learn is important for your family, friends and neighbors.
- ◊ To find Solivita AED locations look on SolivitaHOA.com under "Docs & Info" for the list at the top of the page. Even better, download the Pulse Point AED app for AED locations inside and outside of Solivita.
- ◊ Misplaced Solivita ID card - notify the Membership Office (863-427-7143) to deactivate until it is found or a replacement ID card is purchased.

SUNRAIL MAY TRIP

We had a fun trip on the SunRail in May. Neighbors enjoyed a ride on the train to Winter Park, followed by a boat ride, lunch and shopping in the quaint town area.

Social Committee : * MaryAnn Regina, * Moira Whitley, * Nancy Manisco Treasurer : Jim Whitley
